ABOUT THE BAND

Prepare to be transported back to the raw, untamed energy of rock and roll's most iconic provocateur with Iggy Popz! We're here to celebrate the one and only Iggy Pop, a legend whose influence continues to reverberate through generations.

From the primal screams of The Stooges to his groundbreaking solo career, Iggy Pop has defied categorization, delivering a blistering fusion of punk, proto-punk, and pure, unadulterated rock. He's the godfather of punk, the architect of anarchy, and a performer whose stage presence is simply legendary.

We deliver the same visceral power. Expect all the classics – from the guttural roar of “I Wanna Be Your Dog” to the defiant swagger of “Lust For Life” and the hypnotic groove of “The Passenger.” We're not just playing songs; we're channeling the spirit of Iggy himself, bringing his audacious energy and electrifying charisma to life on stage.

Shed your inhibitions, embrace the chaos, and get ready to sweat! This is more than a tribute; it's an experience. This is for the true believers, the wild ones, and anyone who understands that rock and roll is meant to be felt in your bones.
